Grade

Deluxe Cabinets

Our finest cabinet sets the standard with heavy-duty, 16-gauge steel door frame and numerous performance features

1 Heavier Gauge Construction

16-gauge fully welded frame and heavy duty construction provides superior sturdiness and increased strength over our standard cabinets.

2 Reinforced Doors

Doors incorporate an extra wide reinforcement that is welded for added strength and stability.

3 Adjustable Levelers

Two adjustable levelers compensate for uneven floors.

4 Double Handles

Two brushed chrome handles. Right handle uses three-point keyed locking to secure both doors.

5 Knuckle Hinges

Four-knuckle hinges for added durability.

6 Louvered Back Panel

Louvered back panel provides cabinet ventilation.

7 Adjustable Shelves

Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

8 Raised Base

Raised base keeps contents out of harm's way from cleaning liquids.

Standard Cabinets

Our most economical cabinet, which incorporates some key features of the Deluxe cabinet

- 1 Quality Construction**
Standard cabinets are built with premium quality steel and reinforced doors for long-term performance at an attractive price.

- 2 Chrome Handle**
Polished chrome handle uses three-point keyed locking to lock both doors.

- 3 Ventilation**
Punched lances in back facilitate ventilation.

- 4 Adjustable Levelers**
Two adjustable levelers compensate for uneven floors.

- 5 Adjustable Shelves**
Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

- 6 Raised Base**
Raised base keeps contents out of harm's way from cleaning liquids.

Grade

Jumbo Cabinets

The optimal solution when you need extra capacity to store more stuff and heavy loads

1 Super Heavy-Duty Construction

20-gauge doors and sides, 22-gauge backs along with a 18 gauge sill make these units sturdy enough to handle all your requirements.

2 Increased Storage Capacity

48" width provides 33% more storage

3 Box-Formed Shelves

Our specially engineered shelves are spot welded in corners and along the length of the box form, enabling them to support up to 400 lbs. per shelf.

4 Adjustable Levelers

Two adjustable levelers on front corners compensate for uneven floors.

5 Double Handles

Two brushed chrome handles. Right handle uses three-point keyed locking to secure both doors.

6 Leaf Hinges

Cabinets use four leaf hinges on each 78" high cabinet door and two on each 42" and 30" high door.

7 Adjustable Shelves

Shelves adjust in 2" increments without tools. Integrated shelf support tabs secure shelves tightly to cabinet without clips or added parts.

8 Raised Base

Raised base keeps contents out of harm's way from cleaning liquids.

Options

Door & Handle Styles

C-THRU DOORS

RECESSED HANDLE

Provides easy access without handles obstructing narrow aisle ways.

Provides the perfect solution for viewing contents of cabinets while restricting access. Great option for schools, industrial applications, airports and prisons.

KEYPAD HANDLE

Keypad Handles are battery-operated, safe, secure and provide controlled access. The keypad features a failsafe way to access the cabinet in case a code is misplaced or forgotten.

Additional Options

CASTER KIT

Caster kits are available for 18" deep and 24" deep cabinets. (24" deep only for Jumbo). Kit adds 6 3/4" to cabinet height.

Note: Casters are not available on units with pull out drawers.

COLORS

Tennsco's Storage Cabinets are electrostatically painted with a tough, long lasting powder finish to ensure years of lasting beauty.

WOOD LAMINATE TOP

Sable oak high pressure laminate top provides a convenient work surface for desk and counter high cabinets.

Welded Bookcases

13 1/2" Deep Welded Bookcases

Classic style, durable bookcases

- 1 Welded for Durability**
Spot welded for maximum strength and rigidity, providing years of heavy use.
- 2 Maximum Rigidity**
Shelves have multiple bends at front for additional strength.
- 3 Smooth, Clean Lines**
Welded construction requires no fasteners, providing a clean professional appearance. Unit tops have no overhang, so side-to-side units will fit flush together.
- 4 Adjustable Shelves**
Shelves adjust vertically without tools in 2 5/64" increments. Spacing ideal to accommodate three ring binders
- 5 Raised Bottom**
Has a 1 1/2" raised base which keeps materials safe from damaging cleaners.
- 6 Integrated Shelf Support Tabs**
Built-in shelf support tabs mean no clips to lose and documents will not slip through cracks.
- 7 Shelf Capacity**
13 1/2" shelf supports up to 130 lbs. per shelf.

Available sizes:

Width	Depth	Height	Shelf Capacity
